With customers at the center, we continue to build for the future

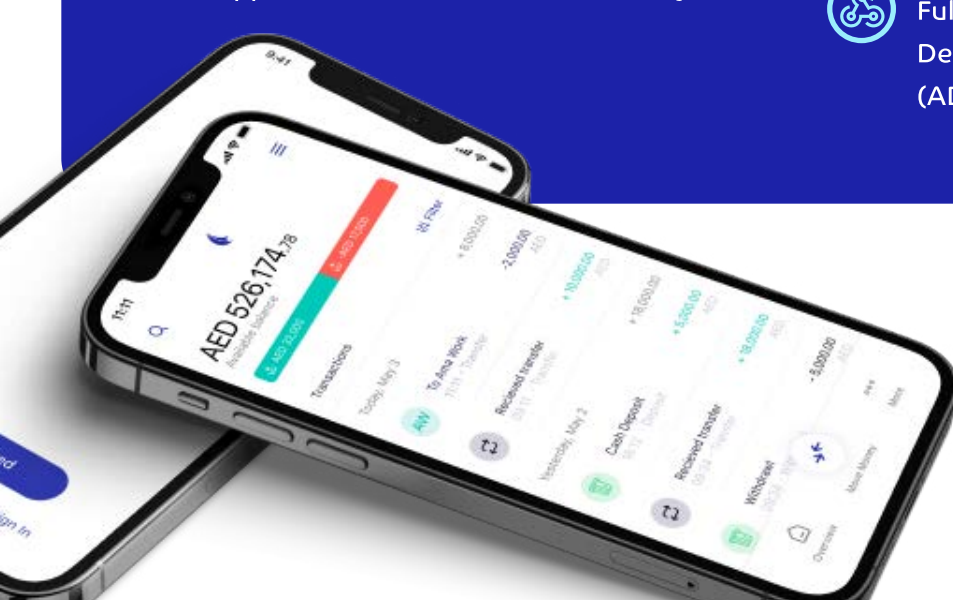

Ahmed Mohamed Al Naqbi
Chief Executive Officer

Hello, and welcome to this new edition of EDB Pulse. As we continue to strengthen our business and invest in the future, we were pleased to receive the Best Regional Development Bank award from International Finance. This prestigious title shows the continued success of our strategy to deliver innovative financing solutions and drive national economic and industrial growth. Our investments in people, innovative solutions, and technology-driven products help the businesses we support to grow and create even more value for the UAE's economy. We just signed an MoU with Trade Capital Partners (TCP) to create supply chain finance and working capital solutions for SMEs, demonstrating our continuous support to this vital sector. With the tremendous efforts of our people, the trust of our customers and the continued support of our partners, we will continue to deliver on our purpose, enabling tomorrow. EDB Launches Supply Chain Financing for SMEs with Trade Capital Partners

Supply chain finance reduces the risk of supply chain disruption and enables both buyers and suppliers to optimize their working capital.

We are constantly looking at new and innovative ways to support SMEs, which contribute more than 60% of the UAE's national non-oil GDP. Under this MoU, we will leverage our expertise combined with TCP's platform to jointly bring more financing solutions to a wider range of businesses.
